

ess_backend_create
_factory_list

```
graph LR; A[ess_backend_create_factory_list] --> B[ess_backend_get_size]
```

A diagram showing a call from a function to another function. On the left, a gray rectangular box contains the text 'ess_backend_create_factory_list'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'ess_backend_get_size'.
